Dear Peter

On behalf of the Officers and Ship's Company of ADFSHIP *Choules*, I would like to express my sincere appreciation for the excellent assistance that you, and the many people within your company, provided to the Royal Australian Navy during our recent time in Falmouth.

Without the dedicated assistance of your team, the enormous task of setting RFA *Largs Bay* to work and returning it to Australia would not have been possible in the short period of time that this task was achieved in.

I would like to personally thank some integral members of your team for their contribution: Mr Kevin Murray, Mr Richard Longstaff, Mr Mike Norfolk and Mr Graham Woodhems. These gentlemen provided support above and beyond their job description and should be congratulated on the success they have achieved.

Thank you for your excellent support throughout the Royal Australian Navy's stay in the UK and we look forward to an enduring and productive relationship with A&P throughout the life of the Ship.

Yours sincerely

J.J. COWAN, CSC

Commander, RAN

Commanding Officer
