For the attention of Chief Executive, Maritime and Coastguard Agency

Dear Sir

Port Marine Safety Code: Statement Of Compliance

On behalf of Falmouth Docks and Engineering Company (FDEC), being the Statutory Harbour Authority for the A&P owned Docks in Falmouth; following the instruction in MIN 641, we are contacting you to confirm our level of compliance with the Code. We wish to confirm that FDEC has the following key measures in place:

- An appointed Duty Holder, Chief Executive Officer of Cammell Laird Ship Repairers and Shipbuilders and Atlantic & Peninsula Marine Services;
- A Designated Person reporting to the Duty Holder;
- Marine Risk Assessments linked to an incident reporting system;
- A Marine Safety Management System, updated over time through feedback from audit;
- Training competency training matrix; and
- A 'marine safety plan' for the period 2021 to 2023.

FDEC is working towards full compliance with the Code and has recently completed an external Port Marine Safety Code audit.

Yours sincerely,

Drystan Jones
Director Port Development Falmouth & General Manager
